

C-8 Color Chart

Furnishings
for
Public
Spaces

Color page C-8 shows colors for fiberglass products, and is as accurate as can be reasonably expected. Actual color samples are available upon request. Other colors are available for an upcharge. Note: When exposed to the sun outdoors, chalking may appear over time. Buffing and re-waxing can remove this.

The standard fiberglass finish is smooth semi-gloss. A rough stone finish is available in all fiberglass colors, and is suitable for outdoors.

The bottom row shows concrete colors available for concrete bench pedestals, and concrete waste receptacles, ash urns and planters.

Fiberglass Colors
