# Endure Waste Receptacle

Furnishings  
for  
Public  
Spaces

The waste receptacle from the Endure Collection features artificial lumber slats made from 100% recycled high-density polyethylene. A wonderful alternative to wood, the material is ideally suited to both outdoor and indoor use. It is UV stabilized to prevent fading, will not rot in outdoor applications, and is resistant to termites. The unique racetrack-shaped slats, which measure 1.2" x 2.5", are attached to the frame of the waste receptacle with hidden stainless steel hardware. Slats are available in six colors. Tops rest on slats for neatness and cleanliness.

The supporting structure of the waste receptacle is constructed of 12-gauge steel. All steel is e-coated and powder coated for outdoor use. Black rubber trim is used on the base ring to protect floors from damage.

All Endure Waste Receptacles come standard with an internal ring to support trash bags. An optional rigid polyethylene liner with hand holes for easy lifting may be specified. Trash bag tops can be folded under the liner. The use of liners reduces capacities to 28.3 and 16.6 gallons. Tops are available in three materials: dark grey hardcoat anodized aluminum, charcoal-colored polyethylene and fiberglass in smooth semi-gloss or rough stone finish.

Specifications	Model	Overall Size	Top Material	Capacity w/o Liner	Approx. Weight
Style A – Large opening top	SLS-27A-WP	22" sq x 31" high	Polyethylene	42 gallons	80 lbs
	SLR-27A-AL	22" dia x 31.25" high	Aluminum	34 gallons	68 lbs
	SLR-27A-FG	22" dia x 31.25" high	Fiberglass	34 gallons	68 lbs
	SLR-27A-WP	22" dia x 31.25" high	Polyethylene	34 gallons	68 lbs
	SLR-22-W	16" dia x 33.75" high	Aluminum	18 gallons	48 lbs
	SLR-22-WP	16" dia x 33.75" high	Polyethylene	18 gallons	48 lbs
	SLR-22-WFG	16" dia x 33.75" high	Fiberglass	18 gallons	48 lbs
Style B – Dome top w/ smaller opening	SLR-27B-AL	22" dia x 32.5" high	Aluminum	34 gallons	68 lbs
	SLR-27B-FG	22" dia x 32.5" high	Fiberglass	34 gallons	68 lbs
Style WA – Waste/ash	SLR-27-WA	22" dia x 31.25" high	Aluminum	34 gallons	68 lbs
	SLR-22-WA	16" dia x 33.75" high	Aluminum	18 gallons	48 lbs
	SLR-27SL-FG	22" dia x 40" high	Fiberglass	34 gallons	70 lbs
	SLR-22SL-FG	16" dia x 41.75" high	Fiberglass	18 gallons	50 lbs

### To specify:

Indicate model no., top style, color and material.

### To specify color:

If fiberglass top is specified, indicate smooth semi-gloss finish or rough stone finish. For fiberglass colors, see color page C-8.

### Options:

- Fire retardant resin for fiberglass tops
- Polyethylene liners
- Chain to attach top to body
- Anchor mount
- Rain cap available on some models

### Poly Slat Colors
